RE: Group Health Insurance
DATE: April 5, 2010

Open enrollment for the City of Pittsfield's Health Insurance Plans that are being offered through the Group Insurance Commission will be held beginning April 12, 2010 through May 10, 2010.

All current subscribers do not have to do anything, unless you are planning on changing insurance carriers. If you do plan on making a change in health plans you must make this change during open enrollment. Any employee who currently does not have coverage and would like to enroll must do so during open enrollment in order to have coverage effective July 1, 2010.

For your convenience, during the week of April 12th we will be sending the GIC's Benefit Decision Guide and a rate sheet to each employee who currently is enrolled in a GIC plan. If you are insuring a child over age 19 you will need to complete a student/dependent certification form. At this time, all forms are available at the Mercer Central Office Building, 269 First Street, Payroll Office, Room 101, and also on the Pittsfield Public Schools website (www.pittsfield.net).

When you have completed your application you may either mail or hand deliver it to Pamela Delmolino, Benefits Analyst in our payroll office, Monday through Friday between 7:00am-4:00pm by May 10, 2010. You may also bring it with you if you are planning on attending the Health Fair that will be held at Berkshire Community College's Patterson Field House, 1350 West Street, Pittsfield, on April 23, 2010 from 11:00 AM – 2:00 PM. If you are not currently enrolled in either the Guardian Dental Plan or the Flexible Spending Plan and you would like to enroll, you must do this during the open enrollment. Representatives from both carriers will be available at the Health Fair. If you are unable to attend the Health Fair you may also enroll for Guardian Dental with Pamela Delmolino. If you need information or would like to enroll in the Flexible Spending Plan please call Cafeteria Plan Advisors at 1-800-544-2340.

On the reverse side of this memo you will find a listing of required documents that must accompany your GIC application if you are a new enrollee, or adding someone to your current plan that has not been on it before. Current members do not have to provide this information again. YOUR FAILURE TO PROVIDE THIS DOCUMENTATION WITH YOUR APPLICATION WILL CAUSE THE GIC TO REJECT YOUR APPLICATION.

If you have any questions, please call Pamela Delmolino in our Payroll Office, Mercer Central Office Building 269 First Street, at 413-499-9506.
