FREE EDUCATIONAL LECTURE IN PITTSFIELD

You Look Okay, But I Don't Feel Okay: Concussion in Kids and Teens

Join Alan Kulberg, MD, Medical Director of the BMC Concussion Evaluation and Rehabilitation Clinic as he discusses concussion in our youth population.

Learn:

- What is a concussion?
- When to suspect a concussion
- Initial concerns
- Medical management of the concussed patient
- Effects of concussion on learning
- When can the patient resume physical activity?

Thursday, May 7th • 7:00-8:00 pm

Reid Middle School, Pittsfield

This community event is open to all – no registration required.
